## ADAPTER WI-FI USB

### EN TECHNICAL SPECIFICATION

|                   |                                               |
|-------------------|-----------------------------------------------|
| Gain:             | 9 ~ 12 dBi                                    |
| Frequency:        | 2.400 - 2.483 GHz                             |
| VSWR              | < 1.5 Average                                 |
| Radiation angle:  | vertical plane: 12°<br>horizontal plane: 360° |
| Polarization:     | vertical                                      |
| Impedance:        | 50 Ohm                                        |
| Operating temp.:  | -10°C to 60°C                                 |
| Max. input power: | 50 W                                          |
| Connector type:   | RP-SMA                                        |

MODEL: AK-05

EAN: 5901986041306

## USB WI-FI DONGLE ADAPTER

### EN TECHNICAL SPECIFICATION

|                   |                                               |
|-------------------|-----------------------------------------------|
| Gain:             | 9 ~ 12 dBi                                    |
| Frequency:        | 2.400 - 2.483 GHz                             |
| VSWR              | < 1.5 Average                                 |
| Radiation angle:  | vertical plane: 12°<br>horizontal plane: 360° |
| Polarization:     | vertical                                      |
| Impedance:        | 50 Ohm                                        |
| Operating temp.:  | -10°C to 60°C                                 |
| Max. input power: | 50 W                                          |
| Connector type:   | RP-SMA                                        |

MODEL: AK-06

EAN: 5901986041375
